May & June – No Meetings:

Message from the President:

I thought Jeff Martin gave us a great tour of the UT EEB Greenhouses on campus and hope you all enjoyed it. Many thanks to Rich for organizing this tour.

I hope to see you all at Dawn's house for our annual auction and potluck. More information follows...

-Greg

3:00 pm June 24 – SMOS Annual Plant Auction & Pot Luck:

Dawn Thomas is hosting the SMOS annual plant auction and pot luck dinner. We hope you all can attend. As always, guests are welcome! Rich emailed Dawn's address and I will follow with a few maps and her contact information will be sent through Mail Chimp, so watch for them. If you don't receive the information, please contact Rich or me. The key information you need to know is as follows:

- Dawn will provide water, coffee, and lemonade. If you wish to drink something else, please bring your refreshment of choice.
- Please bring a lawn chair if you wish to sit.
- The auction will start at 3:30. Please come a little earlier than this to get your bidder number and look over the orchids.
- The pot luck will start after the auction concludes. Please bring a dish to pass that will feed at least 10 people.

Rich has been working hard to round up an assortment of plants for the auction.

Feel free to bring any plant or division you wish to donate to the auction. We ask that you please label any donated plants with the orchid name.
